**BLACK
BONUS
SALE**

OCTOBER 5, 2013

6:30 PM

**OMEGA FARMS
WILLIAMSTON, MI**

Dear Angus Friends,

On behalf of the consignors of the Black Bonus Sale, I want to invite you to attend our Michigan Angus Association Black Bonus Sale on October 5, 2013. This sale will be held at Omega Farms in Williamston Michigan, where Cliff and Jennifer Simmons are pleased to host this sale for the third year. Additionally, Omega Farms invites you to a Steak Dinner and a Barn Dance on Friday, October 4 at the farm and then attend the sale on 6:30 PM Saturday evening.

We are glad to have the opportunity to offer select cattle from our herds to assist in your breeding programs. You will find we have a broad offering of pedigrees available, including the top genetics from each consignor. We look forward to visiting with you and helping you select cattle for your operation.

In addition, we are pleased that Dr. David Hawkins was selected as the 2013 Honoree for the Saddle and Sirloin Club with his portrait being presented at the North American International Livestock Exposition this November. As an educator and fellow Angus breeder, Dr. Hawkins has been an active member of the MAA for over 45 years and has served various offices in the Association. He has been a valued and respected mentor, advisor and friend to students, cattlemen and our Association members.

Two Michigan Angus breeders have donated their sale entries to contribute to the fundraising efforts for the portrait presentation and to fund a Judging Team Scholarship at MSU. We invite your contributions as well.

We are looking forward to seeing you at our sale!

Lots 2A & 2B sell together. We feel honored to submit this high efficiency mating which blends two of the most legendary sires in the breed together with 004 and EXT. Also, the granddam to this mating, Gardinar Angus Farms bred GAR 62 has been an important matron to our cow herd with many of our top producers tracing back to this legendary donor. This pedigree is a prototype mating for longevity, performance and phenotype as evidenced by the full sibling to this mating working in the Sterzick Farm in Lowell, MI

The proceeds from this embryo package are a 100% donation to the Dr. Hawkins Saddle and Sirloin portrait and endowment fund. Dr. Hawkins is important to the Fitzner Family as a great educator and an Angus friend.

Band 106 comes from the top end of our herd. She posted our 3rd highest WW ratio at 112 and our 2nd highest YW ratio of 110 from our 2011 calf crop. She also possesses tremendous eye appeal, as did her dam and grand-dam. Her paternal half brother produced in our herd was the high indexing and high feed efficiency bull at the 2011 Midland Bull Test in Columbus, MT. Her 2013 heifer calf sells as Lot 54A with a weaning ratio of 102. 106 is confirmed pregnant to Ideal 1281 of 6469 Jilt (Bravo), with an expected calving date of January 18, 2014. A quality addition to any herd.
