Consignments

Welcome...

On behalf of the Michigan Simmental Association, Michigan Angus Association, and Ruble Cattle Services we would like to welcome you to the second annual fall sale. We would like to thank the Michigan Angus Association on being partners with us in this year's sale. We put the time into driving around and screening the sale cattle to ensure a quality set from top to bottom.

This sale features breed leading frozen genetics, donor cows and elite semen sires. We also have a great selection of bred females and pairs, both in many breed combinations. This year we have an awesome set of females in every stage of production ranging from open show heifers to 3N1s. Simply put, we've spent a great deal of time and money on this sale to have something for every kind of buyer.

A special thanks to the both association's board of directors and the Simmental & Angus breeders of Michigan for allowing us to manage this year's sale. We feel confident this year's fall sale has something to add to every kind of cattle program.

We look forward to seeing you at the sale or talking to you over the phone. This will be one of the largest events in Michigan and is a must attend event. If you can't make to the sale we will offer you a complete description of the sale cattle and we can help arrange affordable trucking to the majority of the U.S.

Sincerely,

Jeremie Ruble

Marshall and Jeremie Ruble

- Buyer is guaranteed 6 embryos with a cap at 10, with any embryos above ten split with the buyer and seller.
- A cornerstone female in the our herd that has never missed, no matter what the mating was! She is the granddam of the popular "Outsider" bull that was sold by us as a bred heifer at the MI Beef Expo. Her 2015 Built Right heifer calf was just selected as the Grand Champion Simmental Female at the MI State Fair. Her progeny has averaged over \$5,000 for us and her popularity as a multi-functional donor is just beginning! Flush to your choice and enjoy your reward.

Consignor: **MARSHALL HILLSIDE FARM**

- Here is royally bred black baldy female that is long bodied and sound made. Sire by the immortal HC Power Drive and the great Ebony's Black Rose donor at Sloup Simmentals in Nebraska. Black Rose is a direct daughter of the legendary NJC Ebony Antoinette which has 180 progeny on her cow card. She was a little green on her recip this summer but has taken off after weaning time. Don't miss this opportunity. There will be few in the country possessing this genetic potential. We are only selling her because we are retaining three full sisters to C510.

Consignor: JOHN & BRENDA ROHE

- Here are three daughters out of our herd bull PSF Killing Time. This bull has performed very well for us with moderating the calves produced from our cows. The daughters we have in production now have exceeded expectations with producing very eye appealing calves and yet carrying enough mass and design to look the part of front pasture kind of cow. The two purebred heifers (Pictured) are backed by some highly maternal females on the place, both phenotypically and genetically. Look in here especially pedigree wise if you like some classic genetics to add to your herd. These females are very well designed and will work in any program if you're raising commercial or papered genetics. The blood female is another well designed female with a little chrome added in. The female offers the same kind of depth of rib and length of spine as do the purebreds.
